TRAINING AND PLACEMENT DEPARTMENT

Ref. no. TPO - 105 /2016

Date:- 11/08/2016

NOTICE

**Information Security Specialist Program
T.E & B.E (COMP / IT)**

EC-Council

EC-Council is the world's largest Certification body for Information Technology & fastest growing vendor neutral programs. **It is the owner and developer of the world famous Certified Ethical Hacker course, Computer Hacking Forensics Investigator program, License Penetration Tester program** and various other programs offered in over 60 countries around the globe.

The purpose of the **CSCU training program** is to provide individuals with the necessary knowledge and skills to protect their information assets. This class will immerse students into an interactive environment where they will acquire a fundamental understanding of various computer and network security threats such as identity theft, credit card fraud, online banking phishing scams, virus and backdoors, emails hoaxes, sex offenders lurking online, loss of confidential information, hacking attacks and social engineering. More importantly, the skills learned from the class helps students take the necessary steps to mitigate their security exposure.

Course Outline

- Introduction to Security
- Securing Operating Systems
- Malware and Antivirus
- Internet Security
- Security on Social Networking Sites
- Securing Email Communications
- Securing Mobile Devices
- Securing the Cloud
- Securing Network Connections
- Data Backup and Disaster Recovery

Course Duration: 18 Hours
