NOTICE
[Smart India Hackathon 2023]

The Ministry of Education's Innovation Cell, in collaboration with the All India Council of Technical Education (AICTE), has officially launched the **Smart India Hackathon (SIH 2023)**. This event stands as the world's largest open platform, inviting students and aspiring entrepreneurs to shape the future of a smarter India starting today.

In order to identify and endorse teams to participate in Smart India Hackathon 2023, M.H. Saboo Siddik College of Engineering is set to organize an **internal Smart India Hackathon on September 25th, 2023, from 10 am to 6 pm.** We kindly request all Heads of Departments to nominate a minimum of 7 teams from their respective departments. Please note that each team can have a maximum of 6 members, and it is compulsory to include at least one female member in each team.
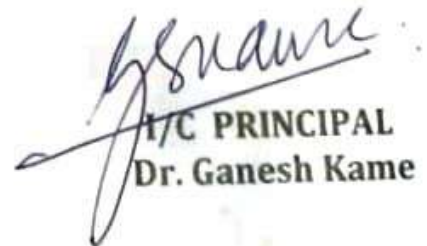

The problem statements for this exciting competition can be found on the SIH 23 website: [https://www.sih.gov.in/]. All faculties are requested to review the problem statements, and they are instructed to mentor at least one team, which is mandatory.

To participate in the Internal Hackathon, students must complete the registration process by providing their details through a Google form [https://forms.gle/LL8ivAJTucXLQwEN6]. The **deadline for submitting this Google form is September 18th, 2023.**
